

**1 DAY**  
**6 BREAKOUTS**  
**30+ SPEAKERS**  
**INVALUABLE INSIGHT FOR YOUR SMALL BUSINESS**

SMART PROC GOVCON has been committed to providing small business with vital information necessary to better understand the federal procurement process, mission requirements and forecast opportunities for nearly two decades.

Join us for this one-day event concentrating on defense and medical R&D, public health, civilian health agencies, defense intelligence and information technology that are key industries supporting the defense and civilian agencies in the Mid-Atlantic region.

Attendees will have the opportunity to connect\* with peers, exhibitors and speakers at this highly informative virtual event.
